- If the applicant does not qualify on the first attempt, the retest fee for a second skill exam is \$50.00.
- If you received a letter from DOL to take an examination due to a physical, mental, visual or any medical issue, you must test at a DOL office. - At the time of the test, provide proof of identification such as a photo permit, out of state license, or school year book.
- You will need to demonstrate arm signals prior to beginning the skills test.
- Your exam scores will be entered into the DOL database within 24 hours. You will have to visit the DOL office to apply for your license. Passing the knowledge and drive test does not guarantee that an applicant will be issued a driver license. The Department of Licensing will determine if an applicant has met all licensing requirements. If you are under the age of 18 you must be at least 16 years old, successfully completed a traffic safety education course, have had your permit for at least 6 months and have had 50 hours driving experience with at least 10 night driving hours to apply for your driver's license.
